How will I be billed?	You will see an additional line item on your monthly bill for your Green Power purchase from Snapping Shoals EMC.
How will my bill be calculated?	All Snapping Shoals EMC members are eligible to purchase Green Power from Snapping Shoals EMC on a "first come, first served" basis. Snapping Shoals EMC Green Power is available to members in blocks of 150 kWh for an additional fee of \$4.00 each month.
How much will my total electricity service cost, including utility charges?	Based on a monthly average usage of 500 kWh and the purchase of one, 150 kWh Green Power block, the following table provides you an estimate of your 2016 monthly electricity bill. Your actual bill will vary based on your use of electricity.
	2016 Monthly Electricity Cost      \$ 53.19

	Green Power Premium Total:	\$ 4.00 \$ 57.19
Will my rates change over time?	The existing rate structure for your Snapping Shoals EMC Green Power service is presently fixed and determined by Board action. Many factors control this cost however we feel it will only change when contract conditions change or new, more costly, renewable resources are added to the program and we must adjust the price to account for the increased price of the new generation.	
What sources will be used in my certified product?	Please refer to the Product Content Label below.	
If I want to terminate this agreement/ contract, what is the early termination fee?	There is <u>no cost</u> associated with terminating participation in Snapping Shoals EMC Green Power program.	
What length of agreement/ contract is required?	No contract or re-enrollment is required. You will remain enrolled in Snapping Shoals EMC's Green Power program until you terminate your participation by notifying Snapping Shoals EMC.	
What other fees might I be charged?	There are no other fees associated with participation in Snapping Shoals EMC Green Power program.
