

Snapping Shoals EMC Illuminator

A Monthly Newsletter for Snapping Shoals EMC Members February 2022

We Love Our Members

February may be the shortest month, but it's packed with special observances like Presidents' Day, Black History Month and Valentine's Day, in addition to a host of unofficial "national" days you've probably never heard of like "National Tater Tot Day." These observances all have something in common. They were created to draw attention to a particular issue or theme.

Valentine's Day has become a widely celebrated day generating millions of dollars spent on flowers, candy and of course, greeting cards professing our love. But Valentine's Day isn't just for the lovebirds. It's also the perfect time to let our friends, family, co-workers and other special people in our lives know we care about them — with or without a store-bought greeting card. We've created our list of top five reasons why we love serving you, the members of Snapping Shoals EMC. 3095981

♥ **We love serving our members because without you, the co-op wouldn't exist.** Our purpose is to provide you with reliable, responsible and safe electricity. Simply put, Snapping Shoals EMC exists to serve you. That's why we were formed in 1938 — to bring power to our local area when for-profit utilities would not.

♥ **You help us get it right.** Snapping Shoals EMC members are great about keeping us in the know. We do our best to avoid power outages, but Mother Nature can occasionally throw us a curveball; our members are quick to report any power disruptions and are patient as our crews work to safely restore power. We know outages are frustrating, and your support as we work through storms means so much to our employees. We also appreciate your feedback on co-op programs and services.

♥ **You enable us to complete our mission by supporting our efforts to give back.** A major part of our mission is to serve our community and look after the greater good. With your assistance, we're able to help the most vulnerable members of our community through food and toy drives and programs like Operation Round Up that help local families pay their energy bills when times are tough.

♥ **Members of our co-op also serve on the board of directors.** They provide guidance for setting co-op priorities and helping make big decisions. Because our board members live in the area, they're able to serve as the pulse of the larger community and identify immediate and long-term needs. The broader co-op membership provides helpful input through their vote on director elections and by weighing in on co-op and community issues.

♥ **You and other Snapping Shoals EMC members make up the community we serve —and for us, it's all about community.** Our employees live and work here too and care about our community the same way you do. We're invested and work to help it thrive. That's why Snapping Shoals EMC donates to local charities, schools, and scholarship funds. It's also why we invest in economic development, and why you'll see our employees volunteering at local schools and other charitable and community endeavors. As a co-op, our mission is to enhance the quality of life in our community and look after its long-term interests. We love serving our members and our local community, and just like you, want to see it continue to thrive. 4647649

Round Up Program Helps Community

By allowing their power bills to be rounded up to the next dollar amount each month, participating Operation Round Up members are part of a program that has helped thousands of people in our local communities. The Snapping Shoals Electric Trust Board oversees the use of Operation Round Up funds. Below are the disbursements from the most recent meeting.

OCTOBER 2021

- Individual assistance total: \$20,952.03*
Organizational Grant Recipients:
 National Action Network (Newton) - \$2,000
 Prevent Child Abuse Henry (Henry) - \$1,548
 Rachel's Gift (Henry) - \$5,000
 Resource Center for Community Action (Rockdale) - \$5,000

Since 2008, Rachel's Gift has collaborated with hospitals to provide specialized care for parents who lose a child to miscarriage, stillbirth or infant death. The organization's bereavement care services help to lessen trauma and long-term regrets and reduce psychological damage. Rachel's Gift also provides educational training to caregivers, along with keepsakes and follow-up support to families. The organization received \$5,000 from Operation Round Up in October 2021.
