Members Help Community Through Round Up Program

By allowing their power bills to be rounded up to the next dollar amount each month, members who participate in Operation Round Up have helped thousands in our communities. The Snapping Shoals Electric Trust Board oversees the use of Round Up funds. Below are the disbursements from the most recent meetings.

Round Up Funds Send Special Olympics Softball Teams to National Championships

The Snapping Shoals Electric Trust Board, which oversees the use of Operation Round Up funds, awarded \$10,000 to Henry County Special Olympics in 2023. The funds helped the organization's two softball teams travel to the Team USA North American National Softball Championships in Lynchburg, Va.

The Traditional Team came home with the silver medal, and the Unified Team came home with the bronze medal. The teams collectively played 17 games against teams from Canada, Maryland, Texas and Florida. 4065041

Terry Nash, Therapeutic Recreation Coordinator for Henry County Special Olympics, said of the donation, "We appreciate (SSEM) so much and thank you once again for the great opportunity for our athletes and partners." 4646930
