Prepare for Colder Weather and Save with Walton Gas

With colder months just around the corner, now is the perfect time to take a closer look at your natural gas bill

At Snapping Shoals EMC, we understand the importance of keeping costs down. That's why we created a partner program with Walton Gas, bringing our members significant savings and top-notch service from a trusted, local provider. 39248

When selecting a natural gas provider, there are many factors to consider. Many providers offer deceptive pricing and are not based in Georgia, making the customer service experience less than ideal. When Walton Gas attended our Annual Meeting in July, they offered these helpful tips to our members when choosing a provider:

- **Beware of Hidden Payment Fees:** Some providers have extra charges or high customer service fees that aren't immediately obvious. You always get great value from Walton Gas. 4677626
- **Don't Fall for Misleading Pricing:** Beware of promotional rates that seem too good to be true, as they often come with strings attached. Walton Gas offers honest pricing to all customers, not just for new ones.
- **Avoid Introductory Rates:** Many providers offer low introductory rates that increase significantly after one or two months. No bait and switch with Walton Gas.
- **Read Contract Terms:** Understand the length and terms of your contract. Walton Gas offers straightforward terms with no surprises.
- **Consider switching to Walton Gas:** The process is straightforward and stress-free, and the savings can really add up.

To learn more and start saving today, visit:

WaltonGas.com/SnappingShoals or call a Walton Gas representative at 678-639-3277. Join the Walton Gas family and see how a local, reliable provider can make a difference for you. 1247337

**BRIGHT
IDEAS**

Funding teachers that inspire the next generation

Teachers have innovative ideas about how learning can be made more exciting, effective and interesting and how curriculum can be expanded to meet the needs of particular groups or individual students; however, resources are sometimes not available for special instructional opportunities. 4682916

The Snapping Shoals EMC Bright Ideas grants are designed to assist teachers in the planning and implementation of these ideas.

Teachers should contact their county's Board of Education to apply for a Bright Ideas grant.

Thousands gather for 2024 Annual Meeting

Thank you to everyone who attended our Annual Meeting at the Georgia International Horse Park on July 18! More than 1,529 SSEMC members registered, which meant that including members' guests, we got to spend the day with about 3,000 smiling faces! 245555

The crowd was treated to music from The Purple Hulls, health advice from Piedmont Newton, energy tips from SSEMC employees and a visit from 811's Digger the Dog. Members also had the opportunity meet reps from EMC Security and Walton Gas.

Keith Williams of Covington was the lucky winner of the Ford ranger that was retired from SSEMC's fleet. Rufus and Margaret Johnson of Covington were the Oldest Married Couple in attendance and will receive a \$100 credit on their power bill. Carolyn Greeson of Covington was the Oldest Member in attendance and will receive a \$50 bill credit.

Board of Directors Lance Harper (District 1), G. Anthony Norton (District 2), Walter Johnson (District 3) and Gene Morris (District 4) were each re-elected to serve 3-year terms for their districts. Jeff Wigington was elected to fill the unexpired term of District 2 Director Dr. Millard Ross, who passed away in July 2023.
